Dear praying friends,

During the month of May, our family had the privilege to return to the States for a brief break. While there, we were able to attend the college graduation of Abbey's sister, have some medical appointments, and be involved in the ministries of three supporting churches. We are grateful for the time we had with family and that we were also able to bring back supplies from the US. Thankfully, we did not encounter any problems at the airport with immigration or our luggage!

Though we did not send out a prayer letter last month, we did create, edit, and send a video in which I gave an update from the Boda-Boda Riders Conference in April. God blessed with 150 in attendance and three salvations! Additionally in April, I had the opportunity to lead the congregational music in both English and Lhukunzo! This was a chance to test some of our linguistics training that we received in Bowie, TX at BBTI!

On June 10<sup>th</sup>, we will be attending the wedding of a Ugandan couple whom we were able to assist with pre-marital counseling. Please pray for James and Ritah as they embark on the next step of their relationship through the union of marriage. They plan to serve the Lord together in full-time ministry here in Uganda.

**Please pray for the following specific requests for the month of June:**

1. **Song Leading Class.** This month, I am hoping to start a song leading class on Saturdays to instruct the young men in the church and Bible college.
2. **New Rutooro Language Instructor.** We are starting a NEW program that will help us learn the language at our pace, but we will need a new teacher. Please pray with us for wisdom in this area.
3. **Children's Program.** Abbey will be starting a children's program on Wednesday nights at the church in Kasese. Please pray for all to do smoothly and for the children to learn.
4. **Kyebande Model Primary School.** We are still hoping to begin a Bible program at this school in Fort Portal. Please pray that God would make this possible if it is His will.
5. **God would grow our Family.** We have been praying that God would allow us to have more children. While in the States last month, Abbey had an appointment that confirmed it is possible. Please continue to pray with us that God would grant this great desire of our hearts. Even little Carson is wanting a sibling.
6. **More People to Surrender to Worldwide Missions.** While the need for more laborers in North America is still very great, we also need more laborers to surrender to be used of God around the world.

Your faithful servants in Christ,  
Caleb, Abbey, and Carson Turner
