

Dear praying friends,

November 2025

The Lord gave us a wonderful opportunity this month to travel back to Kasese and celebrate Thanksgiving with the Beauford family in Kilembe. What a blessing to fellowship again with dear missionary friends and enjoy some good American food in the middle of Uganda. Here in Fort Portal, the Lord continues to open doors. I had the privilege of meeting the LC1 (the local village chairman) for Butangwa. He is already telling people throughout the community that a Gospel-preaching church will be starting soon! That kind of favor can only come from the Lord. We also finished our very first Gospel tract in English. Five hundred copies are printed and ready to be distributed over the next month. Please pray that many souls will read it and be pointed to Christ. One of the immediate practical needs for Hope Baptist Church is to secure a room or building we can rent for services. We have begun looking and asking around, and we are trusting the Lord to provide the perfect place at the right time and price.

We are excited about the Christmas season that is quickly approaching. Christmas is one of the biggest holidays in Uganda, and we want to do something special and memorable in Butangwa that will honor the Saviour and reach many with the Gospel. Please pray earnestly for wisdom as we plan. One new friend the Lord has given us is Richard, the manager of one of the largest restaurants here in Fort Portal. I was able to present the Gospel clearly to him this past week, and he listened attentively. He has invited me to attend a special program he and some others have created for a small group of orphans. Please pray that I will be given the opportunity to teach a Bible lesson at the weekly gathering and that many of the children's hearts will be convicted to receive salvation!

Please pray for these specific requests in November:

1. **Madelyn's development.** She is approaching nine months, is always on the move, and has three teeth! Please pray for her pain tolerance and continued development.
2. **Carson's growth.** With his seventh birthday approaching, his curiosity is evident as he asks many questions daily. Please pray for his spiritual, emotional, mental, and physical development.
3. **A room(s) to rent for Hope Baptist Church.** I have a few contacts who are keeping their eyes open for some space available to rent. We want to start by renting and let God grow His church into needing to buy land.
4. **500 Gospel tracts.** Over the next month, we hope to distribute 500 introductory Gospel tracts to people in our village of Butangwa and the city of Fort Portal.
5. **Safety throughout Uganda during the upcoming election season.** Pray especially for peace in Fort Portal and protection for God's people and ministries. The elections will be held at the end of January 2026.
6. **Lhukonzo Baptist Music YouTube Channel.** Please pray that God would give the strength needed to Bro. Mumbere Joshua as he continues to translate and record Godly music in the Lhukonzo language. Feel free to give the channel a "subscribe."
7. **More people to surrender to worldwide missions.** The need for more laborers to surrender to be used by God around the world is great.

Your faithful servants in Christ,

Caleb, Abbey, Carson and Madelyn Turner
